

English-speaking Churches Together in Brussels

*"That all of them may be one...
that the world may believe that you sent me."*

John 17:21

'Churches Together' is affiliated to the Brussels English-speaking Pastors Association (BESPA)

Constitution

'Churches Together' is an informal association offering services as a resource to all the English-speaking churches in the Brussels region. We warmly welcome all churches wishing to participate in development, planning and promotion of initiatives and invite them to nominate their own representatives.

Our Vision

Our vision is that all Christian Churches may work together in fellowship, harmony and purpose, as Jesus prayed,

"That all of them may be one... so that the world may believe that you sent me."

John 17:21 (NIV)

Our Purpose

- ◆ To seek a deepening of members' communion with Christ and with one another in the Church, which is his body.
- ◆ To fulfil our mission to proclaim the Gospel by common witness and service in our environs and in the world.
- ◆ For church members: -
To raise their awareness of the people in other denominations who share the same allegiance to Jesus Christ that they may welcome fellowship with them.
- ◆ For society at large: -
To raise awareness of the strength, relevance and central truth of shared belief within the diversity of the Christian Church.
- ◆ To combine for specific outreach such as Alpha Courses.
- ◆ To create greater impact with jointly sponsored events and initiatives.
- ◆ To be a resource to help churches to increase the scope of their initiatives and the impact of their witness.
