**And He said unto them, 'Go into all the World and preach the gospel to every creature.'**

Welcome to the website page of the Brussels congregation of the Presbyterian Church of Ghana. Our heartbeat is orchestrated by the good news, which declares us righteous in God's sight, by His grace alone, through faith alone, in Jesus alone. This good news is the basis of our worship and inspires our service, as together we proclaim the grace of God to a lost society.

We are growing with God's grace, growing for God's glory in transforming lives in Christ through the undiluted Word of God.
