

“GROWING IN FAITH TOGETHER” (GiFT)

Home Group

Would you like your faith to mean even more in your life, and to find joy in asking and answering some of the big questions? Why not come along (once, twice, every week..) and join this small home group which meets in Tervuren every **Wednesday evening** to “Grow in Faith Together”.

“Come, just as you are, before your God...”

Starting at around **8.00pm** with tea and coffee (or indeed wine!) and continuing until about **10.00pm**, we sing, pray, watch video teachings and discuss topics arising from our desire to truly know and experience the promises of Christ.

Someone might have a particular question or intention arising from recent experience in the family, at church or at work, or have been struck by a particular book, saying or encounter. Alternatively, we might decide to study a video, or a reading or Scripture passage which we find inspirational or challenging.

Our discussions are friendly, fulfilling, wide-ranging and often very moving, and everyone can contribute in prayer, or just by listening or voicing any questions and opinions they might have.

“Touching Heaven, changing earth”

The group is loosely attached to the St. Anthony’s English-speaking parish, but regularly welcomes Christians of all denominations, and would be most happy to welcome more, from whatever tradition.

“GiFT” evenings are for us a window of prayer and serenity, living water to quench our thirst for God. Why not come along and
“Love Him more dearly, see Him more clearly, follow Him more nearly,
day by day”?

We would really be very pleased to see you!
