

**Volunteer
driver
needed!**

Serve the City (STC) is in urgent need of a volunteer with a car willing to transport several volunteers, food, and other practical items from the STC office to the Gare du Nord train station on Monday and Thursday nights at 6pm. This would require an ongoing commitment from one or perhaps several individuals every week to assist with supporting this outreach program to feed the homeless . If you feel led to help please contact Nino at Serve the City via email: nino_ostojic@yahoo.com or by phone at: 0496.993.390
